WRITING

ELS Language Centre offers a unique communicative English programme that fulfills the language learning needs of university students and working professionals. Using a learner-centred communicative approach, the programme offers a special focus on the dynamic integration of vocabulary, reading, listening, pronunciation and communicative functions that can be put to use immediately in many environments.

# Communicative ENGLISH PROGRAMME

All instructional materials are provided including course books that are specifically designed with the English-as-a-second-language (ESL) learner in mind.

### The course emphasises on:

- Specific English communication skills needed for everyday life
- Practice in using the conversational English skills learned
- Maximising interaction among learners
- Personalised attention in developing each learner's communication needs

### Features

- 3 levels of instruction: Elementary, Pre-Intermediate and Intermediate
- Each level consists of 2 modules
- Each module takes 6 weeks to complete
- 24 hours of training per module
- Maximum class size: 15
- Class schedule: Tuesdays and Thursdays (6.30pm – 8.30pm)
