TESOL CERTIFICATE COURSE

(TEACHING ENGLISH TO SPEAKERS OF OTHER LANGUAGES)

Professional upskilling for English Language Teaching

ELS Language Centres' TESOL Certificate course is specially designed for individuals who are interested in becoming English Language teachers but have little or no experience in teaching English as a Second Language (ESL).

Upon completion of the course, the participants will be equipped with up to date pedagogical knowledge and skills to teach in colleges, schools and language centres both in and outside of Malaysia.

It is an intensive course for those who want certification in a short time. Participants will be guided by experienced trainers. The course ensures that each participant will have acquired the knowledge and skills required of an effective English Language teacher.

CAREER OPPORTUNITIES

The TESOL Certificate Course offers you ample opportunities for employment in and outside of Malaysia. With the widespread demand for English language instruction globally the TESOL Certificate Course is an ideal pathway towards a meaningful teaching career.

ENTRY REQUIREMENTS

- Must have successfully completed secondary education (SPM, STPM, GCE O Level or equivalent). Participants with a diploma or degree are preferred.
- Must pass the English Language Proficiency test upon registration.
- Must be competent in both spoken and written English.

“This programme was very informative and useful. It provided me with the right tools to teach English. I also appreciate the hands-on training prior to the actual teaching.”
